### **CAMP KITCHIKIPPI IN MARSHALL**

- Week 1-(July 5-9)- Junior Naturalist**
- Week 2-(July 12-16)- Art In Nature**
- Week 3-(July 19-23)- Blast From The Past**
- Week 4-(July 26-30)- Water World**
- Week 5-(August 2-6)- Green Thumb Magic**
- Week 6-(August 9-13)- Habitat Heaven**

### **Art In Nature**

The natural environment explodes with all kinds of resources perfect for creating one-of-a-kind works of art. We'll ignite creativity thru photography, sculpting & pottery, murals, mosaics, painting, natural fibers, and more!

### **Green Thumb Magic**

Become a garden wizard while we explore Earth's bountiful treats. Roots, shoots, veggies and fruits set the foundation for activities. We'll explore planting, berry picking, jam & treat creating, garden art, and mini gardens.

### **Water World**

Take the plunge and plan on getting wet as we discover the wonders of water thru boat building, fishing, wading, and exploring the critters that live in our rivers, lakes, and wetlands.

### **Blast From The Past**

We'll embark on a journey thru time exploring the many ways that Native Americans, and pioneers left their "footprints" on Earth. We'll go bone digging, artifact hunting, construct tee-pees, and learn survival skills like archery and cooking over an open fire.

### **Habitat Heaven**

Look at life thru the eyes of your favorite Michigan critter. We'll explore prairies, woods, water, and wetlands, build bird houses and other animal homes and play wildlife games and activities.

### **Junior Naturalist**

Boot camp for the nature lover! This week of camp will be an opportunity for kids to test their nature skills and knowledge to become trained environmental stewards. The campers will complete a fun, week-long course to earn a Junior Naturalist Certificate. Campers will be working on individual and teamwork skills that will benefit them throughout their life
